PREFACE

This is the sixth issue of the publication 'Para-Medicals Training in India'. The present publication 'Para-Medicals Training in India-1987-Volume I—Central Government Institutes' covers detailed information on Para-Medical Courses run by 25 Central Government Institutes. To make the publication more useful to the users, key information on important aspect of Para-Medical Courses like title of the Course, duration, intake capacity, name of the Institute, venue, date of its commencement etc. has been depicted quarter-wise in the beginning of the publication. It is hoped that the information given in the publication will be found useful by all concerned.

I am thankful to Directors/Principals/Medical Superintendents/Administrative Officers of Central Government Institutions for extending their co-operation in furnishing the relevant information for the said publication.

Suggestions for further improvement of the publication will be highly appreciated and these may kindly be addressed to the Director, Central Bureau of Health Intelligence, Directorate General of Health Services, Nirman Bhavan, New Delhi-110011.
